SIR,

Adverting to Government Order No.R.7575-8/L.R.18-20-16 dated 3rd instant directing that the assessment on the portion of Survey No.63 of Obenahalli, Chikballapur Taluk, the inam tenure of which was cancelled in Government Order No.R.2210-11/L.R.146-18-2 dated 12th August 1919, be hereafter credited to the funds of Sri Ranganathaswami Temple at Rangasthala and treated as an addition to the cash grant of the temple, I have the honour to state that as the portion of Survey No.63 under advertence is no longer inam, it will have to be formed into a separate Survey number and included in the khate of the alienee along with the other lands in his occupancy.

If, as ordered by Government the assessment of this particular land is to be given to the temple as an addition to the cash grant, it will be necessary to keep special watch over the occupancy of the land and also the collection of the assessment thereon as the grant will not be payable if the assessment is not recovered or if the land is thrown out of occupancy. Moreover, it will be necessary to make a separate khate for this land alone as, otherwise, if it is included along with other lands in the khate, it will not be possible to apportion recoveries on account of khate among the several lands comprised in it. As all this will lead to considerable trouble and

Re the crediting of the assessment on the portion of S.No.63 of Obenahalli, Chikballapur to the funds of Sri Ranganathaswami temple at Rangasthala. &c.,

of the order already passed, Government may be kindly pleased to sanction an additional cash grant to the temple equal to the present assessment of the land in question which amounts to about Rs.2-8-0. This arrangement will no doubt deprive the temple of the benefit of any enhanced assessment that may be hereafter fixed for the land, but on the other hand, the temple will be assured of the annual grant, whether the land be actually under occupancy or not.
